

Montana State Library Commission Policy

Circulation Policy for the Library Information Services Division

Policy Statement: Montana State Library (MSL) meets the information needs of Montana state government employees and ensures all Montana citizens have access to information created by their government. To that end, MSL circulates library materials to the following patrons:

- Montana state government employees and elected officials.
- The general public through interlibrary loan to their local libraries or as walk-in patrons.

Revised May 2010.
