State Librarian

**To:** Montana State Library Commission

**From:** Marlys Stark  
Administrative Assistant

**From:** Jennie Stapp  
State Librarian

**Date:** February 13, 2012

**Re:** Corrections to final approved copy of December 2011 minutes.

Staff realized that the previously approved December 2011 minutes did not include minutes regarding those staff who received longevity pins at that meeting. The longevity pins are an important way that we recognize the valuable contribution made by staff. We ask you to approve this addition/correction to the December 2011 minutes to ensure that our appreciation for these staff is included in the official minutes.
