### **Agenda**

Continuation of Discussion Topic One: Current State Library calculations for our identified list of “problematic statistics”:

- Staff FTE – count all library FTE or just those who serve public
- Materials – print, electronic, and serial and how to categorize them
- Revenues – categorizing and collecting
- Overall goal of improving accuracy on collecting and reporting the data.

Discussion Topic Two: Frequency of collecting and timing of collecting statistics

Date and assignments for the next meeting’s discussion topics:

Discussion: Suggestions for federal definitions

Discussion: New data to collect for Montana libraries? (BTOP, Edge, other)

Discussion: What can MSL do to help libraries tell their stories through use of public library statistics?

Final comments/wrap up
