### **Agenda**

1. Group discussion:

What are the goals behind our OCLC group services and, based on these goals, what products and services should we be purchasing from OCLC?

What should the State Library's focus be when determining what costs it should cover through state and federal monies? How might this inform us in terms of what specific GS costs the State Library covers? What costs the individual libraries cover?

2. Looking at numbers for guidance:

Interlibrary Loan, Cataloging and Group Catalog usage statistics from OCLC

Examples of current OCLC pricing: individual library costs, statewide costs

3. Are there negotiation points that would help inform MSL as we negotiate a new contract with OCLC for FY2015?

4. Cost share change options: scenarios

5. Recommendations to the Network Advisory Council
