PART 1. LIBRARY LAW

C.R.S. 24-90-106.5 (2013)

24-90-106.5. Establishment or removal of a municipal library in an existing county library or library **district**

If a municipality is in the legal service area of an existing county library or library **district**, public library service shall not be refused or discontinued other than as provided in this article. The municipality may establish its own municipal library only by choosing to do so by means of financial support that does not affect the financial support previously established for the county library or library **district**; except that the municipality and the county library or library **district** may, by mutual written agreement, permit a financing method for a municipal library that does affect the financial support previously established for the county library or library **district**. If establishment of the municipal library is to be funded by any amount of tax levy not previously established by resolution or ordinance nor previously approved by the electors of the municipality, the electors must approve that levy before the municipality can establish the library.
