**Today, Wednesday, August 12<sup>th</sup> GoToMeeting is down. Please use the toll-free call-in instructions below. Sorry for the inconvenience!**

PARTICIPANTS INSTRUCTIONS:
Dial the Toll-free conference number: 888-617-3400

Enter Passcode 208475 when prompted, followed by the # key.

 Note: You may or may not hear the usual ring tone prior to connecting and there may be a brief pause when you first connect before you receive your announcement arrival instructions.
-If you call in before the conference is initiated (you'll be asked if you are the host) just hang up and try again after a couple of minutes or stay on the line until the host arrives.
-If you are not successful in connecting after following these instructions please call 1-800-332-3400 and we will assist you.
-If you need to leave the call and return after several minutes or are disconnected during the call simply redial and login again."
