My tutor, Eugene, helped me soo much!! He didn't show me the answer, he simply gave me hints where I needed them to find the answer myself. There was one problem I was clueless about so he explained it to me and now i understand what the answer means and how to get it. I LOVE tutor.com/homeworkmt.org!!! (Montana State University Library)	7th
I LOVE HomeworkMT!! It is an amazing free service that I use quite frequently! It has helped me with so many problems that my teachers don't explain how to do. I just wish it was available more! All of the tutors I have come across have been wonderful! Scott H helped me a ton this time around! Thank you for providing these services and tutors for spending their time helping kids across the state! THANK YOU!!! (Montana State University Library)	8th
