

# Memo

**To:** Montana State Library Commission

**From:** Jennie Stapp, State Librarian and staff

**Date:** April 2, 2022

**Re:** **April Policy Review**

The following policy review is presented for Commission consideration. Staff will request action to rescind the policies at the June Commission meeting.

Because the State Library is no longer open to the public it is no longer necessary to maintain either a public display policy or a reading room code of conduct.
