Goal: User-friendly website with no more than 2% broken links

Current State:

As of the last report, Montana State Library's website has...

107,669
total links on site

This is the total number of links across all the pages on the Montana State Library's website.

5,089
reported broken links

The website content management system runs a report to identify broken links.

3,783
broken links ignored

Sometimes the report can't verify a link, but it is not broken. Staff mark these links as "ignore."

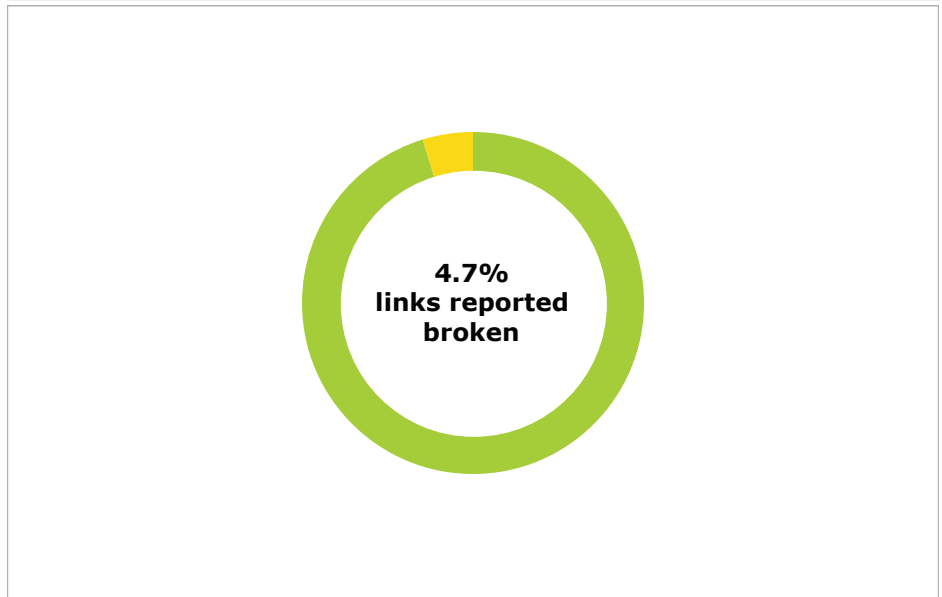

1,306
links to resolve

Broken links remaining that haven't been marked "ignore" by State Library staff.

Reported Broken Links

Percent Broken

4.7% of the total links were reported broken as of October 2024. The most recent report included 5,089 broken links. The first report in August 2023 had 14,731 broken links.

While reviewing broken links, staff also unpublish superseded or obsolete content, reducing the number of total links. In August 2023, the site had 257,005 links. In October 2024, the total was 107,669.
