Jackie

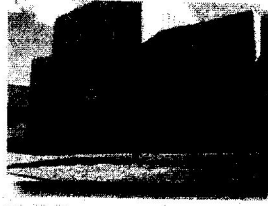

Your email went to the Treasurer's office which forwarded it to us. We have very similar email addresses – commissioners' email has an additional "co" in it pococo@3rivers.net.

I don't believe a review of the agreement is needed as the voters approved the library levy for the two libraries. Pondera County will levy the amount approved by the voters and will not levy any additional mills for the libraries. Since we won't have additional mills levied for libraries and we don't need an agreement for voted mills, there is no need for an agreement. The first levy on the voted amount is in tax year 2014 so will be on next year's tax bills. The first payment on those tax bills will be in November of 2014. If there are further questions, please contact us.

Dear Town of Valier Council:

This letter is to advise you that the Commissioners have approved the County budget for FY2014-15. The Valier Library has been appropriated \$69,500, which is made up entirely of a voted levy. Payments will be made twice a year, after the November and May tax collections. If you have any questions, please feel free to contact me.

Sincerely,

Kody L. Farkell
Clerk & Recorder
