Re: Recommendations from the Network Advisory Council meeting of May 17, 2011

The Network Advisory Council at its May 17, 2011 meeting approved the following recommendation to be forwarded to the State Librarian and the State Library Commission:

Recommendation: Council recommends that the remaining \$35,144 balance of unexpended FY 2010 LSTA funds be assigned to cover part of the FY2012 OCLC shared Group Services costs, specifically the 15 WorldCat Seats shared statewide by all libraries and the Unlimited Group Catalog available to all Montana libraries. The total cost of these two group services for FY2012 is \$58,811.
