

# Memo

**To:** Jennie Stapp, State Librarian      **To:** Montana State Library Commission

**From:** Stu Kirkpatrick  
MSL Geographic Information      **From:** Jennie Stapp, State Librarian

**Date:** May 16, 2014

**Re:** GIS Strategic Vision

The attached GIS Strategic Vision is respectfully submitted to the Commission for informational purposes. The MSL Geographic Information Program, with support from the Montana Land Information Advisory Council, the state agencies' GIS Community of Interest, and the Montana Association of Geographic Information Professionals, will begin work on the tasks and deliverables associated with the vision. Tasks whose primary lead is the MSL Geographic Information Program will appear in the FY15 work plan.
