Re: Proposals for unallocated LSTA FY18 funds

We have \$27,804 that we have not allocated to a specific project. Library Development staff have presented four proposals for possible funding. The money must be spent by September 30, 2019.

Staff have included information about how the project fits into the LSTA 5-Year Plan, how much funding they need, and what success looks like. Please consider which of these projects you would like to fund. I would like to take your recommendations to the Montana State Library Commission's December meeting.
