From: Jennie Stapp, State Librarian; Erin Fashoway, State GIS Coordinator

Date: November 26, 2019

Re: Recommendation for approval of the FY '21 Land Information Plan from the Montana Land Information Advisory Council

The Montana Land Information Advisory Council (MLIAC) recommends adoption of the FY '21 Land Information Plan as approved at their November 20, 2019 meeting.

The Land Plan was posted for public comment prior to Council action and no public comment was received.

We respectfully submit the plan to the Commission with a recommendation for approval at the December Commission meeting.
