Memo

To: Public Library Standards Task Force

From: Montana State Library staff

Date: September 2, 2020

Re: Homework for September 2 Meeting

The purpose of the September 2 meeting is to review the proposed library standards considering what is now known about how the pandemic has impacted and may continue to impact library services in Montana, and for the Task Force to make recommendations to the State Library regarding next steps in the standards revision process.

The Task Force is asked to please review the proposed standards and public comment documents linked from the meeting agenda, as well as the questions listed on the agenda. Please come prepared to share your thoughts and ideas on these items at the meeting.
