Date: November 4, 2020

Re: Professional Development Possibilities

Typically, we budget \$5,000 for reimbursing NAC members for attendance at face-to-face meetings. It seems unlikely that we will have our face-to-face meetings. In lieu of using this money for travel reimbursement, we are proposing that NAC members think about a virtual professional development opportunity that will benefit libraries in Montana. We can use this money to pay for NAC members to attend that professional development opportunity. We can also use this funding to pay for a workshop or professional development opportunity for the NAC itself.

If you have an idea for a professional development opportunity either for the NAC as whole or for you as an individual, please let Tracy know. She will work with Jennie and Cara to arrange the logistics.
