Re: The Montana Land Information Advisory County recommends the adoption of the FY23 Montana Land Information Plan

The Montana Land Information Advisory Council (MLIAC) recommends the adoption of the FY23 Montana Land Information Plan (the Plan) as approved at their November 18, 2021 meeting. The Plan was posted for public comment prior to Council action; no public comment was received.

Major changes made to the Plan from the [FY2022 Montana Land Information Plan](#) are highlighted below:

- *Priorities for Grants*, starting on page 10:
 - Updated Tier 1 grant priority “Integrating GIS into the Planning and Preparation for Geo-Enabled Elections.”
 - Removed the Off-Cycle Grant sub-section.
- *Priorities for the Montana Spatial Data Infrastructure*, starting on page 11:
 - All MSDI Theme Leads were contacted and had the opportunity to update their *MSDI Theme Specific Priorities*.
