| Terms |
|--|
| State License. This quote is valid for 30 days and covers the 122 public library locations within Montana. WhoFi will perform the following during the initial 12 month license term; hold deployment calls with the State to review information needed from both sides to successfully deploy the service, hold quarterly business reviews with the State, provide training material, schedule activation calls with participating locations during the setup process, provide content to potentially be added to the Montana State Library website, and additionally provide product updates directly to the state public libraries. |
