# What does MSL Learn look like?

The screenshot displays the MSL Learn website interface. At the top left is the Montana State Library logo and a 'Home' link. At the top right, there is a language dropdown menu set to 'English (United States) (en\_us)' and a 'Log in' link. The main content area features the text 'MSL Learn Welcome!' followed by the Montana State Library logo and 'MSL LEARN'. Below this is a note: 'Courses on this site are intended for Montanans served by the Montana State Library.' A list of links includes 'How to Login to MSL Learn', 'About MSL Learn Courses', and 'Earn CE Credits, Badges, and Certificates'. Two buttons are visible: 'Library Administration Courses' and 'MSL Employee Trainings'. A blue callout box with the text 'Use your ASPeN Email and Login Credentials' points to the 'Log in' link. An inset window shows the login form with fields for 'Username' and 'Password', a 'Log in' button, a 'Lost password?' link, and a 'Log in using your account on:' section with a 'Login with Okta' button. A 'Click Here!' callout points to the 'Login with Okta' button. At the bottom of the inset, there is a language dropdown and a 'Cookies notice' button.

# Montana State Library: A Greater State of Knowledge

Courses / Public Library Continuing Education / Library Administration

## Library Administration
