Step 1

To receive a custom staff/admin login for your library, please email montana@levelall.com with:

Your library's name, and the first name, last name, and email of the staff member who should be listed as the administrator

Step 2

Schedule a 1-on-1 session around your availability, Level All will reach out to you with a link after you book a time.

Step 3

After you attend a meeting to learn more about the program, and activate your link, reply to montana@levelall.com. Let them know that your administrator log in is active. When you are ready they will help you set up a custom onboarding link or QR code that you can share with your patrons or staff.

Each library can choose when and how to share Level All - on a website, in newsletters, or directly with patrons.

100,000 books across Montana!

Hi readers! Help us reach our first Beanstack goal of reading 100,000 books!

[Register an individual or family](#) or [sign in](#) to participate!

Our Goal

82,859 / 100,000 minutes

Welcome to Beanstack!

Beanstack is a web-based reading challenge software!

★ You can track reading minutes, and participate in fun activities .

How do I sign in?

1. Go to our Beanstack website:

<https://mslmt.beanstack.com>

2. Educators! Click on "Register a Class or Group."

3. Fill in your info to access a whole class with one login! *flip this page for a walk through and examples

Special note to educators:

When setting up your Beanstack account, make sure to choose the correct log type.

- Go to the MSL Beanstack landing page and click "Register a Class or Group".
- Select "All at one time" when prompted for your logging method. (Do not choose "individually", as this forces you to click the individual name for everyone in your class every single time you use it).
- Finish entering your information. When prompted for your library, just select the public library closest to your school to proceed through the registration form.
- To add and edit students, click the button with your name or class name on the upper right side.

Weekly Reading tracking example:

Sign into your class account on the library's Beanstack page. Click the "Log Reading and Activities" button (upper left).

Log Reading

Select the title if it is all the same book, or Log without a title if you are counting minutes. Select the whole class, if everyone completed it together, or select a different reader to see the individual reader.

☐ Reader 2
☐ Reader 3

If you choose to enter by reader instead of the whole class (best if some read different lengths of time than others) click the button next to those who completed the same number of minutes. (e.g., your 100 minute readers).

Add a title if that meets your needs or skip the title and simply log the minutes..

Search by title or author

Manually Enter Title

OR

[Log without a title](#)

Save by clicking the "Log" button at the bottom.

Move on to the next group as needed. Re-open the logging window with the "Log Reading" button. Select those who read the next length of minutes (e.g., your 60 minute readers) and repeat these steps to track the rest of your readers.

License Ambassador Program

FWP Ambassador

<https://tinyurl.com/FWPAmbassador>

Why: FWP is transitioning to the new License Ambassador model (effective March 1, 2026) to modernize our licensing system, move away from outdated department-provided equipment, and make it easier for customers to access licenses statewide, especially in remote or underserved communities.

Payment: All transactions through the online licensing system must be made via debit or credit card. If you need to pay with cash or check, you must visit an official FWP office.

Licenses: The (3) options include **Print Now:** You can print your license and tags immediately at the business if they have a printer. **Digital (E-Tags):** You can opt for digital carcass tags through the MyFWP mobile app, which can be validated in the field without cell service. **FWP Print and Mail:** You can request that FWP print and mail your tags to your home.

Benefits: An opportunity to provide a service to the patrons in your local community!
