

Memo

To: Montana State Library Commission

From: Jennie Stapp, State Librarian;
Erin Fashoway, State GIS Coordinator

Date: December 16, 2020

Re: Recommendation to approve the FY '22 Land Information Plan from the Montana Land Information Advisory Council

The Montana Land Information Advisory Council (MLIAC) recommends adoption of the FY '22 Land Information Plan as approved at their December 16 meeting.

The Land Plan was posted for public comment prior to Council action. The final draft of the Land Plan presented to the Commission considers public comments received. Those comments are also included in Commission meeting materials.
